

Welcome to **Craft & Harbour** we pride ourselves in serving locally sourced fresh fish in our homemade batter and sunflower oil fried fresh chips. Try our own pickled vegetable selection as well as our homemade condiments.

Our chefs also offer a weekly choice of starters, mains and sweets, advertised on our chef's special board. Please ask your waiter for details.

We have separate fryers for a gluten free option for those with dietary requirements; we also make our own fresh gluten free batter.
